

# How to Renew Your ASRM Membership

Approximately three months before your membership expires, a renewal invoice will be available for you to pay. (Note that if you are signed up for automatic renewal, you will not be provided a link to renew your dues. Please make sure that your stored credit card information is still valid.)

1. Go to [www.asrm.org](http://www.asrm.org) and click “Log In” (located in the upper right corner on a desktop computer).
2. On the “My ASRM” homepage, log in to your account.
3. Once you have logged in, click on the “My Account” tab.
4. Under “Membership Summary”, click on the “Renew Now” button. (Note that if your membership has already lapsed, you will need to follow the **procedure for joining.**)

The screenshot displays the ASRM website's "My Account" page. At the top, the ASRM logo and tagline "Impacting Reproductive Care Worldwide" are visible, along with navigation links for Home, Join, Contact, and Stay Connected. The user is logged in as Steven Perman. The main navigation bar includes MY ACCOUNT, LEARN, CONNECT, ASRM STORE, and DONATE. The "My Account" section is active, showing a sidebar with various account management options. The main content area is divided into three sections: "My Contact Information" (with a profile picture and contact details for Steven Perman), "My Subscriptions" (showing no records), and "Membership Summary" (showing an active status, a paid-through date of 12/29/2017, a doctoral membership type, and a member number of 00065249). A red arrow points to a "Renew Now" button located below the membership summary.
